*hydraulic arm grip capacity varies on use with or
without spinners for all 600/700 series models*

PIVOT

PARALLEL

600700 SERIES

Preferred model for:

SSQ comes standard - Loading large, square bales
Faster squeeze operation - Gripping 4' round bales
Loading equipment - Wider opening, tighter closing

Grabbing bales out of a row - Feeding into bale rings
Handling loose or broken bales - Very consistent unrolling
Stake pocket accessibility - Use without spinners
